Bullock & Croushaw
on a mint balance

Prof. Jas C Booth.
U.S. Mint
Dear Sir.

The Balance
we are importing for the Mint
has been shipped from Liverpool
Mr. Oetting has not followed
our instructions, in making a
separate passage of the Balance
- but has packed it with
some goods - he is sending to
us - This will make it
necessary to pay duty on
the balance - and for you to
have the duty remitted - It
has however the advantage of
saving - some \$5.00 to you in
cost of transportation, as the cost
is now divided between us.

Very truly yours

Bullock & Croushaw
